WE, AS MEMBERS OF COUNCIL, WILL:

- Carry out our responsibilities as set out in the applicable legislation to the best of our abilities;
- Make decisions which we believe to be in the best interests of the citizens of the Town of Creston;
- Review the background information and advice made available to us by the administration prior to rendering a decision;
- Seek further input when we are unsure of the issues or uncertain as to the preferred course of action;
- Refer any complaints, either written or verbal, about the decisions of Council or the actions of administration, to the Town Manager for review, comment and follow-up (as appropriate);
- Refrain from making any commitments on behalf of council to individual citizens or groups other than to take the request up with the Council or Town Manager and to respond appropriately;
- Seek to participate actively in the decision-making process;
- Refrain from any public or private criticism of our administration wherein individual employees are identified; and,
- Act as good stewards of the Town and as public servants of our citizens through ethical conduct;
- Provide effective leadership through guiding the corporation and the municipality through annual or longer term goals and priorities, through the budget approval process and by agreeing to reasonable policies which reflect, in our views, the best interests of a majority of our citizens.
